Description

Dear Sir,

Sorry for disturbing you again but now I am encountering problems logging in the ECrew AIMS eCrew. It says: " credentials are incorrect".

I used the folowing which were given to me

Good evening,

We are receiving several similar reports from recently created users. We are working to resolve this as soon as possible. We will keep you informed of any developments.

Kind regards,
Jeremias P.

Comment by Francois Emeriau (francois.emeriau@volotea.com):

Hola,

This morning I cannot acces to anything platform anymore:

-eCREW

-EFOS

It says my credentials are wrong but I am using the same one as before!

I asked training department to reset my LMS exam and suddenly the rest is not working, maybe both problems are related ?

Could you please assist?

Thanking you

François Emeriau
